FROM THE DESK OF PRESIDENT

We, a group of some aspiring hearts are strongly united towards human welfare through diversified approaches of social development. We shared our dreams, visions based on innovative thoughts, planning and also dared to materialize it. It's our realization that life oriented education may be one of the effective ways for mankind. As a result, within a short span of time, we are now capable enough to manage a no. of Educational Institutions that provide various technical and professional courses under registered charitable societies and trust.

strengthening strengthening our team work for establishment and running of a no. a Educational Institutions not only in West Bengal, but also all over India. Now, our existence is seemed to be a nuclear family having the promising attitude towards recognition to deserving success of our endeavors. We are satisfied enough to have a heavenly pleasure for doing something for mankind through our un-interrupted success. We are also thrilled and overwhelmed to have heartfelt co-operations from the teachers, staffs and students. At present, they take part for the betterment of our establishments and help us for further progress in all respect. We are not only engaged in providing Technical and Professional Education but also working as PIAs in different Govt. Schemes for Skill Development, managing Govt. ITIs in PPP mode, Training

Programmers under NSDC, DDUGK Programmers under NSDC, DDUGKY, PMKVY etc. Recently we have engaged with the healthcare sector and established a nursing college and looking forward to the inception of Santiniketan Medical College (Proposed). All these initiatives are extremely dedicated to maximum no. of common people for better existence of all concerned. In spite of having our personal lives, family obligations, privacies etc., we work as full timers for the benefit of these establishments. It may be our dreams that the relationships among us must be continued till death death and so we may adopt some planning for future. We think, relationship exists among the relatives only who live around us, share with us and help us when needed. Our lives may be dedicated and sacrificed for social welfare that touches every heart of the society. Time passes and it is the time for planning to do something

where where we will live in the older days with happiness, pleasure till the last breath bearing a true relationship and it will inspire the next generations also. Let us do something for a strong bonding with the community around us, so that we can live together, work together for mankind till the last day of our lives-this is the expectation that whisper in mind & inspires us to go forward always.

With Regards,
Shri Malay Pit President

FROM THE DESK OF PRINCIPAL :- DEBJANI MAJUMDER

Dear All,

Being very much glad and thrilled to have a surprising offer, I cordially accept it and joined the post of principal in this Institution. Based on my academic and administrative experiences, I am really delighted to be a part of this growing endeavor by SWADHIN. Let us have the scopes to make all the possible betterments for all and I hope it will be an ideal institution where the successes of the students, teachers will be an important exposure for the dazzling institutional profile.

Nursing has several characteristics of true profession, which include a body of knowledge, specialised education, service to society, accountability, autonomy, code of ethics, professional association and organisation skills. Nursing is a disciplinary study with many opportunities, which can be expected for a career growth and livelihood.

We always aim for better education hence leading to satisfactory learning in students with best educational procedures considered. Our knowledge, experience and forethought led organisation helps students to gain better skills for their own career development.

I WISH ALL THE BEST FOR YOUR FUTURE ENDEAVORS.

ABOUT COLLEGE

Kabiguru Nursing Institute was established in the year 2021, recognised by Indian Nursing Council and West Bengal Nursing Council. The major objective of establishing the institution is to provide an efficient platform of advance discipline to the youth of West Bengal and neighbourhood states, which enables them the opportunity to become exemplary citizens by practice of nursing education ultimately fulfilling the desire of national advancement.

Now a days, numerous number of medical training institutes associated with healthcare services has been established all over Indian Continent. But few of them can claim themselves as best since they provide extensive knowledge in this field of education. We, namely “Kabiguru Nursing Training Institute” claim ourselves best in class since we are equipped with Trainers with diversified knowledge associated with proper ethical values in Medical Field. Apart from the aforesaid, experts from highly reputed corporate Healthcare services are there to equip students with extensive knowledge with Proper practical aspects. The way of teaching a student receive is completely unique which proves to be real scenario based. Within a few time span after enrolling, one learns to conduct multiple medical tests flawlessly with skillful precision.

OBJECTIVES

- To grow a pattern of teaching for undergraduate and postgraduate nursing education
- Facilitate high quality practical knowledge in all branches of nursing with superior demonstration
- Help students to achieve self adequacy in graduate, postgraduate and G.N.M in medical education.
- Stay connected with our nursing institution and submit your application to study with us. If you have any questions or concerns, please don't hesitate to contact us.
- To provide and insight knowledge to improve student's personality for their bright future.
- Working together we help to achieve increased confidence and capability in the students of the college.
- To train students to improve creativity and technical skills.
- To provide basic ideas about manufacturing progress and skills.
- To provide combination of practical learning in Hospitals and Laboratories with class room teaching.

COURSES

GNM

(Gen. Nursing & Midwifery)

Duration : 3 years

EDUCATIONAL QUALIFICATIONS

- 10+2 with English and must have obtained a minimum of 40% at the qualifying examination and English individually from any recognized board. Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government. However Science is preferable.
- 10+2 with English having 40% of marks in vocational ANM course from the school recognized by Indian Nursing Council
- 10+2 with English having 40% of marks in Vocational Stream-Health care Science from a recognized CBSE board/State/Centre

I Year

1. Biological sciences
2. Behavioural Sciences
3. Fundamentals of Nursing
4. Community Health Nursing
5. English
6. Computer education

II Year

1. Medical Surgical Nursing-I
2. Medical Surgical Nursing-II
3. Mental Health Nursing (Psychiatric)
4. Pediatric Nursing

III Year

Part-I

1. Midwifery & Gynaecology
2. Community Health Internship (Part-II)
1. Nursing Education
2. Introduction to Research
3. Professional Trades Adjustment
4. Nursing Administration Ward Management

BSC (NURSING)

DURATION : 4 YEARS

ADMISSION : ON THE BASIS OF MARKS OBTAINED IN ETRANCE TEST

BSC NURSING ELIGIBILITY:

BSc Nursing is catered in two segments, which are BSc Basic and BSc Post Basic. The eligibility criteria for BSc Nursing is a 10+2 or equivalent examination completion certificate from Science stream with PCB and English as compulsory subjects.

For BSc Nursing Post Basic, the basic criteria are the same as BSc Nursing eligibility criteria. Apart from it, for BSc Nursing Post Basic, candidates need to acquire a General Nursing Midwifery (GNM) certificate and register her/himself from State Nurses Registration Council as Registered Nurse Registered Midwife (RNRN).

1. PROGRAMME STRUCTURE

B.SC. NURSING PROGRAMME STRUCTURE

I Semester 1. Communicative English 2. Applied Anatomy 3. Applied Physiology 4. Applied Sociology 5. Applied Psychology 6.*Nursing Foundations I Mandatory Module *First Aid as part of Nursing Foundation I Course	III Semester 1. Applied Microbiology and Infection Control including Safety 2. Pharmacology I 3. Pathology I 4. *Adult Health (Medical Surgical) Nursing I With integrated pathophysiology Mandatory Module *BCLS as part of Adult Health Nursing I	V Semester 1.*Child Health Nursing I 2. Mental Health Nursing I 3. Community Health Nursing I (including Environmental Science & Epidemiology) 4. Educational Technology/ Nursing Education 5. Introduction to Forensic Nursing and Indian Laws Mandatory Module *Essential Newborn Care (ENBC), Facility Based Newborn Care (FBNBC), IMNCI and PLS as part of Child Health Nursing	VII Semester 1. Communicative Health Nursing II 2. Nursing Research & Statistics 3. Midwifery/Obstetrics and Gynecology (OBG) Nursing II Mandatory Module *Safe delivery app under OBG Nursing I/II (VI/VII Semester)
II Semester 1. Applied Biochemistry 2. Applied Nutrition and Dietetics 3.*Nursing Foundation II 4. Health/Nursing Informatics & Technology Mandatory Module	IV Semester 1. *Pharmacology II 2. Pathology II & Genetics 3. Adult Health Nursing II With integrated pathophysiology including Geriatric Nursing 4. Professionalism, Professional Values & Ethics including Bioethics Mandatory Module	VI Semester 1. Child Health Nursing II 2. mental Health Nursing II 3. Nursing Management & Leadership 4.*Midwifery/Obstetrics and Gynecology (OBG) Nursing I Mandatory Module	VIII Semester Internship (Intensive Practicum/Residency Posting)

BSC (NURSING)

DURATION : 4 YEARS

BSC NURSING ELIGIBILITY:

1. The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years.

2. MINIMUM EDUCATIONAL QUALIFICATIONS

- a. Candidate with Science who have passed the qualifying 12th standard exam(10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry, and Biology taken together and also must obtain 45% in English from recognized
- b. Candidate shall be medically fit.
- c. Candidate are also eligible from State Open School Institute of Open School (NIOS) recognized by Central Government
- d. English is a compulsory subject in 10+2 level.
- e. Married candidates are also eligible for admission.

FACILITIES

Laboratories

Laboratories with advance resources plays a major role in the transition of a student to a successful nurse. Laboratories helps to experience the theoretical concepts and enhance learning by understanding theoretical science. Laboratory trainings are the first hand experiences in observation frequently used to develop the skillsets of an individual.

Following are the laboratory setups our institution has designed for imparting nursing education:

- Advance Nursing Skill Lab
- Obstetrics and gynaecology Lab
- Pediatric Lab
- Nutrition Lab
- Fundamental of Nursing Lab
- Pre-clinical Science Lab
- Community Health Lab
- Computer Lab
- Audio-Visual Room

CLASS ROOMS

Well furnished, spacious classrooms equipped with the latest teaching aids such as LCD Projector, OHP etc. are available to have a highly interactive session in classroom teaching. All class rooms are well - illuminated, properly -ventilated and with modern sitting.

LIBRARY

To improve the quality of care, evidence based practice has a positive impact on both nursing and patient outcomes. Such practices are possible through the primary resources that we ensure to be available in our libraries.

The Library of Kabiguru Nursing aims at providing access to its printed resources such as books and journals for the faculties, students and members. The college library is spacious, well-ventilated, adequately furnished and has uninterrupted power supply. The college library is a connecting link between teaching and learning as well as place which supplements its resources what is beyond scope of class room. College libraries play an important role in the educational history of both the students as well as the faculty members.

COUNSEL CAREER DEVELOPMENT

Counseling and career development service provides assistance with students efforts to find a career / Life direction, to develop coping skills, and to gain a better understanding of self, others, and the world. The faculty and staff is ready to help in a self - career exploration that is part of the college experience.

Workshops and programs offered through faculty and staff allow students to explore areas such as self assessment, conflict resolution, stress management, substance use and abuse, career planning and job search strategies. A variety of audio and self - help materials are available full and part time job listings, employer information and a credential file service are available.

Hostel Facilities

The College has separate hostel facilities for girls and teachers. It is equipped with all modern amenities. Hostel rooms are very spacious & well furnished. It has been monitored by Security personnel 24×7. The beautiful green campus of the hostel makes their every morning wishful and evenings memor

Transportations

Transport for daily commuting is generally one of the worries of parents. To enable students to free themselves from the worries of the transportation, we have made arrangements for College buses for students as well as staff. We ensure a hassle free and safe transport facility to our staffs and students. This transport facility is also used for various educational purposes like field trips, industrial visits etc.

Play Grounds

Sports and Games are a regular part of our institute. The college playground is always bubbling with outdoor activities like cricket, football, volley ball, badminton etc. We encourage our students to participate in various sports.

MEDI-CARE

Monitoring of health of the students is done on routine basis. Regular check-ups are done to ensure fitness of the students. In case of illness, special Medicare is available through medical experts. Special doctors are available on call. The college is also accomplished with well equipped sick room in college and hostel with ambulance services available round the clock.

DOCTOR ON

Regular medical check up will be conducted in the college and in Hostel at regular intervals. In emergency cases services of renowned doctors are available on call.

SPORTS & CULTURAL

The college offers various types of sports and extra curricular activities. All the students are encouraged to excel and participate in programmes at the state and national levels. Inter collegiate literary competitions and other extracurricular activities are also encouraged.

FACULTIES

Highly qualified, efficient and experienced teaching staffs including visiting Professors for various subjects from renowned Institutes are available. An excellent teaching conducted by dedicated faculty which mould out the students in order to prepare them to face the dynamic emergencies of modern times. The faculty of college is deputed to attend International, National, State level workshops, Seminars and Conferences.

STUDENT NURSE ASSOCIATION (S.N.A.)

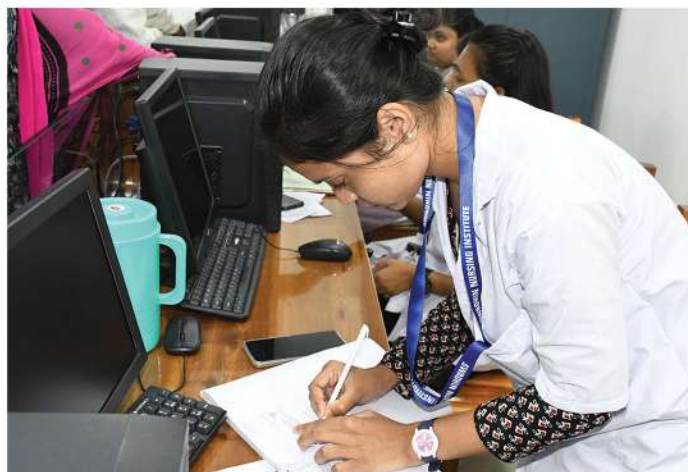

To make the student become dexterous, the college has its own S.N.A. unit, where the students involve themselves in extracurricular activities. It is mandatory for all the students to be a member of S.N.A. Elections for S.N.A. are conducted by the faculty and students and appointment of office bearers is done accordingly. The Chairman of Entertainment, Decoration, Sports, Catering, Students Welfare, Discipline, Health, mess, Purchase and Reception Committee has also been nominated for smooth running of activities. S.N.A. meetings are conducted by the faculty and students for the organizing various programmes of the college.

ACTIVITIES

CLINICAL TRAINING

The students are required to be in the clinical area for six to eight hours every day during the week, according to the course planning. Selected field trips will be arranged to different community agencies as per course plan. The clinical practice is given at well equipped hospitals with all advanced facilities and specialties covering all departments like medicine, surgery, gynecology, pediatrics at 100 bedded nursing home named Ananya Multispeciality Hospital and Bolpur sub divisional hospital, Sian.

SEMINARS, WORKSHOPS AND VISITS

Presentations, interactions with elites of different field & disciplines and socialization have its own impact on the shaping and grooming of the future leaden. College is laying Importance on this aspect and ensuring that each student is given an opportunity to prepare projects, present papers, write visit reports etc. Interaction will eminent personalities are also organized to broaden the vision of students. Indirect effect of such Interaction's will Improve the marketability of own product and better placement.

RURAL HEALTH DEVELOPMENT

For community health nursing, the college has affiliation with Urban and Rural Public Health Centers. Important tie - ups have been done with various welfare societies and some villages are also adopted by the management of the college. To fulfill the need of medical assistance in acute areas special outdoor visits and camps are arranged by the college. These activities are managed by a social welfare club made by the students of the college. The services provided by the club to these areas are extremely free of cost.

ABOUT NURSING

The word Nursing came from the word Nutricius which came from the word cherish, to protect, to support, to sustain, to train, to educate, and to supply with things essential for growth. Ms Florence Nightingale (1820-1910) made emphasis on the preparation of Individual who can care for sick and promote health of Individual and society. 'According to American Nurses Association "Nursing practice direct service, goal directed and adaptable to the needs of the individual the family of community during health & illness." Nursing is the profession which demands dedication, patience ,devotion, professional commitment, responsibility, orderliness in working, punctuality, continuous motivation, high level of initiative and self discipline. The professional nurse plays role as a client advocate, an educator, 'team leader and accountable for providing quality care for those who are under his/ her care.

OBJECTIVE OF NURSING

- To apply knowledge from physical, biological and behavioral sciences, medicine including alternative systems and nursing in providing nursing care to individuals, families and communities.
- To provide nursing care based on steps of nursing process in collaboration with the individuals and groups.
- To demonstrate awareness, interest and contribute towards advancement of self and of the profession.
- To demonstrate competency in techniques of nursing based on concepts & principles from selected areas of nursing, physical, biological & behavioural sciences.
- To practice ethical values in their personal & professional life.
- To provide preventive, promotive, restorative & emergency health care to individuals & community as regent.
- To guide / train birth attendants, Anganwadi workers (AWWs) other health activities & volunteers.
- Ability to function effectively as educator and administrator.
- Ability to interpret health related research and develop initial competencies in conducting research.
- To gain leadership qualities for the advancement of the practice of professional nursing.

Florence Nightingale

The Nightingale Pledge
I solemnly pledge.....

..... myself before God and in the presence of this assembly: To pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty, I will endeavour to aid the physician in his work, and devote myself to the welfare of those committed to my care..

METaverse MEANING

A metaverse is a virtual reality simulation that can be used for various purposes, from entertainment and social networking to education and business. It is a 3D virtual world created and maintained by users and can be explored and interacted with just like the physical world. It is a hypothetical iteration of the internet as a universal and immersive virtual world focused on social connection

How Can Metaverse Enhance Medical and Nursing

The covid pandemic made us realize the value of remote education. All the classrooms were shifted online. Moreover, many technologies like VR and the metaverse in education platform received acknowledgment. However, there were many drawbacks of such online learning, Student engagement was low, Students and even teachers felt disconnected. It increased isolation. Having control of a class was a big task for professors as well.

These challenges specified the need for an alternative learning solution. And here is the metaverse! Metaverse tackles many of the challenges mentioned above. It increases engagement. In addition, it promotes the active participation of students. Furthermore, it offers a platform that is based on virtual reality. The metaverse has many advantages to various education streams

Medical education is the need of an hour. The requirements of current society are not just an education but learning that is rigorous, deep, and practical oriented. No matter how much technical advancement takes place every day or minute, if it is not able to help the healthcare system, it is not significant.

While speaking about the technologies boosting medical education, we can mention a few technologies such as virtual reality, augmented reality, 3D technology, artificial intelligence, and now metaverse. Virtual reality and augmented reality have significant impacts on education and other healthcare areas. In addition, artificial intelligence is also a part of enhancing medical training. Moreover, the 3D invention makes medical learning more interesting and clear.

Medical education can have many advantages from the metaverse. First, it can create an immersive and recreational learning experience. Moreover, they will be tailormade for students. The following are some of the benefits of the metaverse to medical education.

Virtual reality is the essence of the metaverse. Therefore, it will offer the foremost benefit of virtual reality applications in medical education. With metaverse, you can have a walk the 3D model of a human body. In addition, you will be able to discuss the diagnostic methods with

ANTI RAGGING MEASURES

As per direction of the Honourable Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus and authorities are determined not to allow any form of ragging. Whosoever directly or indirectly commits, participates in, abets or instigates ragging within or outside KABIGURU NURSING INSTITUTE shall have an FIR lodged against him/her and he/she will be suspended or rusticated from the Institute and shall also be liable to be fined which may extend to Rs.10,000/-. In case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, admission can be refused or he/she shall be expelled from the Institute. The punishment may also include suspension from attending the classes, withholding/withdrawing fellowship/scholarship and other financial benefits or withholding the result.
