EMINENCE THROUGH EXCELLENCE

EMINENT COLLEGE
OF PHARMACEUTICAL TECHNOLOGY

Approved by AICTE & PCI (New Delhi)

Affiliated to Maulana Abul Kalam Azad University of Technology, W.B.
(Formerly West Bengal University of Technology)
and WBSCT & VE & SD, Kolkata (Formerly WBSCTE)

Message from the

PRINCIPAL

Prof. (Dr.) Suchandra Sen

With these words, I would like to welcome you to this unique and noble institution. The Eminent College of Pharmaceutical Technology, Kolkata, has been developed under the auspices of the Nirmala Foundation Trust, a non-profit organisation with a vision of spreading quality technical education to all sections of society, particularly in the peri-urban areas of Kolkata. The profession of Pharmacy has undergone a sea of change and from production, quality control and marketing, the Pharmacist today reigns as a Health Care Professional, involved in the safe and efficacious utilization of drugs and pharmaceuticals, and also in the discovery and development of newer medicines for the future. Eminent College of Pharmaceutical Technology offers a two year D.Pharm course and a four year B.Pharm course and intends to start the post-graduate M.Pharm course

in the near future. The institute is affiliated to the Maulana Abul Kalam Azad University (MAKAUT), West Bengal for the graduate course and West Bengal State Council for Technical Education (WBSCTE) for the Diploma course. The curriculum is in strict accordance with the guidelines set down by the All India Council for Technical Education (AICTE) and the Pharmacy Council of India (PCI). With a team of dedicated and experienced academic and administrative staff and adequate infrastructural facilities, ECPT, provides quality education to nurture students, who will make a positive impact on society. On behalf of ECPT, I wish you the very best in your educational, personal and professional development.

*Knowledge is power.
Information is liberating.
Education is the
premise of progress
in every society,
in every family.
- Kofi Annan*

A Unit of
Nirmala Foundation

Message from the

MANAGING TRUSTEE

Nirmala Foundation is a non-commercial organization, consisting of eminent members from various sectors of society. The trust also desires to contribute to the society by establishing Colleges, Health Centers, Old Age Home & many more.

Inspired by the noble cause of imparting education and promoting excellence, Nirmala Foundation has established Eminent College of Pharmaceutical Technology. The Institute is affiliated with the Maulana Abul Kalam Azad University of Technology (formally known as West Bengal University of Technology). The trust's primary aim is to create an atmosphere where teaching and education will be totally integrated with the serious research endeavor. Nirmala Foundation always aims for the overall development of students with special emphasis on communication & soft skills, sports & cultural events along with the regular academic & technical skills. The

objective is to make the students brilliant professionals as well as good human beings with the infusion of ethics, discipline, and moral values which can contribute effectively to the society. Thus all the members of the trust are determined to work together for a bright and prosperous future for the budding minds.

Mr. Swapan Kumar Karak
Nirmala Foundation

FACILITY

- Well spaced laboratories with all necessary modern equipments
- Library with huge number of books & numerous national and international Journals.
- A Digital Library with subscription to Elsevier & Bentham.
- Faculties having teaching & Research experiences.
- Well equipped Computer Lab with Language Lab facility.
- Wi-Fi enabled green pollution free campus.
- Ragging free campus.
- Separate Hostel facility for boys and girls maintaining a homely environment.
- Boys/girls common room, play ground, auditorium for recreation and amusement.
- College has own transportation facility from nearest location.

- Canteen facility available with quality food & in a subsidized rate.
- Well internet connected computer labs with 1:1 student machine sharing facility

- Cafeteria
- Large Green football and cricket ground
- Health Care and first aid facilities
- Modern fire safety provisions
- Green Wi-Fi campus
- Specious and digital class rooms
- Equipped with modern advance educational technology.

COURSES OFFERED

Dispensing of drugs in the hospital, retail shop and to the patient is the crucial task in the health care system. This important task is fulfilled only by the pharmacist. What should be the dose of a drug? Pharmacist can help the patient to take the right dose. When to take the drug? After or before the meal? Pharmacist can tell the proper time. What are the drugs we can't take at a time? Yes, pharmacist can advise us about the drug-drug interaction. Pharmacist is the bridge between doctor and patient. Role of pharmacist is not only limited to the dispensing of drugs. Pharmacist is the key player in the manufacturing, quality control, research & development, clinical trials, regulatory affairs, marketing of drugs & cosmetics. Recently new areas like pharmacovigilance, pharmacogemonics etc. have emerged where pharmacy graduates are

major players.
Eminent College of Pharmaceutical Technology offers 2 years Diploma in Pharmacy & 4 years Bachelor of Pharmacy for the session 2021-2022.

Diploma in PHARMACY

Dispensing of drugs in the hospitals, retail shops, and to the patient is a crucial task in the health care system. This important task is fulfilled only by the pharmacist. What should be the dose of a drug? After or before the meal? Pharmacists can tell the proper time. What are the drugs that are contra-indicated? Yes, pharmacist can advise us about the drug-drug interaction. Pharmacist is the bridge between doctors and patients.

The role of pharmacists is not only limited to the dispensing of drugs. Pharmacists are the key players in manufacturing, quality control, research & development, clinical trials, regulatory affairs, and marketing of drugs and cosmetics. Recently new areas like pharmacovigilance, pharmacogenomics, etc. have emerged where pharmacy graduates are major players.

Eminent College of Pharmaceutical Technology offers 2 years Diploma in Pharmacy & 4 years Bachelor of Pharmacy for the session 2020-21.

04 ECPT
2023-24

ELIGIBILITY

Candidates applying for admission should pass 10+2 level examination with Physics, Chemistry, and Biology or Mathematics as the subjects. The admission of the candidates would be as per guidelines of WBSCT & VE & SD and PCI.

INTAKE
60

Bachelor of PHARMACY

ELIGIBILITY

Candidates applying for admission should pass 10+2 level examination with Physics, Chemistry and Biology or Mathematics as the subjects with minimum of 45% marks (average) in the above subjects (40% for SC/ST/PWD/OBC) and have to qualify in West Bengal Joint Entrance Examination (WBJEE) or Joint Entrance Examination, Main. The admission of the candidates would be as per guidelines of MAKAUT & PCI.

INTAKE
60

The course content of this stream is as per
MAKAUT & PCI

Pharm Course (Lateral Entry) Directly to the 2nd year (Through JELET exam) and it will be 3 years bachelor course.

TRAINING, GPAT & NIPER

NIPER & Placement

Hospital Training For D. Pharm

After completion of their D.Pharm (Part-II) final examination, the students need to undergo a 'Hospital Training' comprises of 500 hours. The training should be taken from a Govt. Hospital. It is obvious to take the training to obtain their registration as Pharmacist according to PCI directives.

Training for B. Pharm (Practice School)

B.Pharm students in the VII semester shall undergo practice school for a period of 150 hours evenly distributed throughout the semester. At the end of the practice school, every student should submit a printed copy/report on the practice school he or she attended. College will assist the students to carry out the training programme.

Industrial Training

B.Pharm students need to carry out industrial training at least 150 hours in a Pharmaceutical Industry, Gluconate Health Care Limited. It includes

Production unit, Quality Control department, Quality Assurance department, Analytical laboratory, Chemical manufacturing unit, Pharmaceutical R & D, Formulation & Development department, Clinical Research Organization etc. College will assist and arrange the training for the students after VI semester and before VII semester.

No matter
how old you get,
there is always more
to learn and ways
that you can
continue to grow

Whether
training
your body or mind,
it's the only way
towards real
success

with 5 pharmaceutical companies.

A major number of our final year students are already offered and placed in different segments of reputed pharmaceutical organizations.

Besides offering a lucrative placement to the first batch (2018-2022) of our B.Pharm course, our twenty(20) students are successfully getting enrolled in different institutions of repute across the country like Jadavpur University (Kolkata, West Bengal), Maulana Abul Kalam Azad University of Technology (Haringhata, West Bengal),

Dibrugarh University (Dibrugarh, Assam), Globsyn Business School (Kolkata, West Bengal), Adamas University (Barasat, West Bengal), etc. for pursuing their higher studies in different courses like M.Pharm, MBA, etc.

GPAT & NIPER:

College always encourages students to peruse higher studies after completion of degree. In 2022 one of our students successfully cracked GPAT and NIPER entranced test.

Placement:

ECPT positively assist all the students to groom themselves and attain industrial knowledge through various curriculums to make them industry fit. We prepare our students for placement in the different sectors of pharmaceutical industry like R&D, F&D, manufacturing, quality control, quality assurance; several segments of sales and marketing such as direct sales, tele-marketing, digital marketing, online marketing; community healthcare sectors like pharmacy store (retail, wholesale, chain, online), hospitals; pharmacovigilance. ECPT has established Training & Placement Cell by appointing an experienced training & placement officer (TPO) for promising future of our students. The college actively collaborating with renowned pharmaceutical industries, signed MCU

Our Internal Committees

Anti Ragging Committee:

ECPT has ragging free campus. Numbers of Anti-Ragging measures are taken to ensure strict compliance.

Students will refrain from ragging of any kind and those who violate this rule will be instantly suspended from the college. The matter will be placed before the Anti-Ragging Committee, which will review the incident of ragging and take action according to the process of law. Students must take note that ragging results in their dismissal from college. The attention of the students is also drawn to the judgment of the Hon'ble Supreme Court of India wherein the institution must file a complaint with the Police Authority, and with all resulting consequences as per "The Circular of the Education Department, Government of West Bengal on Prohibition of ragging in Colleges and Hostel.

Internal Complaints Committee:

In pursuance of UGC (Prevention, prohibition, and redress of sexual harassment of women employees and students in higher educational institutions)

The key is
not the will to win.
Everybody has that.
It is the will to
prepare to win
that is important

Regulations, 2015 read with sexual Harassment of Women in Workplace (Prevention, Prohibition and Redressal) Act, 2013 and in partial modification of Office Order NO.449 dated 05.08.2016, Internal Complaints Committee (ICC) is reconstituted as under to deal with the complaints relating to Sexual Harassment at workplace.

Our Internal Committees

Grievance Redressal Committee:

The Grievance Redressal Committee shall consider only individual grievances of specific nature of staff and students of the institute raised individually by the concerned aggrieved employee or student.

Equal Opportunity Cell:

Emphasis of the deprived groups for learning and creating space for them to mainstream themselves will be the job of the Equal Opportunity Cell which will run a specific scheme of coaching for Scheduled Castes, Scheduled Tribes, OBC (non-creamy layer), and Minorities to enhance the employability and success.

Disciplinary Committee:

The primary objective of the disciplinary committee is to address and effectively solve various student-related matters. It is a bridge between students and authorities. The committee has to maintain a balance

between students' demands/problems and the feasibility of solutions provided by authorities.

Be stronger
than your
strongest excuse.
Be greater than
your most
negative voice

Our Internal Committees

Other Important Committees:

- CULTURAL COMMITTEE
- GS CASH
- INSTITUTIONAL INNOVATION COUNCIL
- RESEARCH & DEVELOPMENT
- TRAINING AND PLACEMENT COMMITTEE

LIFE @ EMINENT

We celebrate various occasions in our college with great enthusiasm, which provides students an overall platform not only for recreation but also for 360o development.

In learning
you will teach,
and in teaching
you will learn

"Don't take rest after your first victory because
if you fail in second, more lips are waiting to say that
your first victory was just luck."

- Dr. A. P. J. Abdul Kalam

General Rules

Knowing
is not enough;
we must apply.
Willing is not enough
we must do

- Harming any of college property will be regarded as punishable offence. As Punishment College can suspend the guilty person or money will be charged.
- Laboratories & Library can be used only with permission. Laboratories & Library have to be used with proper care. Any harm to these is punishable.
- Students found guilty in disobeying the rules of

• Everyday classes will start from 9.30 a.m. & will end at 6.00 p.m. Students have to reach college within the scheduled time & cannot leave college with prior permission.

- Everyday students have to maintain their uniform properly & have to wear their ID-card during college hours; otherwise they will not be allowed to enter the college premise. In case, ID-card is lost, that student has to issue a police diary & have to submit it to the college. Issuing of new ID-card is chargeable.
- Students have to maintain 80% of attendance in each semester for availing the facility of and placement.
- According to PCI directive students have to maintain at least 75% class attendance to appear in their final semester/yearly examinations.

the college or with any inappropriate behavior will be subject of punishment. As punishment suspension or cancellation of registration will be in course of action.

PLACEMENT AT A GLANCE

GOVERNING BODY

Governing body is the elite decision making body of the college.
The eminent figures of the Governing body are enlisted below:

SL. No.	NAME	DESIGNATION	PROFILE
1.	Mr. Samir Chakraborty	Chairman of the GB	Chairman, Nirmala Foundation
2.	Prof. Suchandra Sen	Member Secretary	ECPT
3.	Mr. Swapan Kumar Karak	Member	Managing Trustee, Nirmala Foundation
4.	Dr. Dhiman Chatterjee	Member	Trust Representative And Renowned doctor
5.	Prof. Sanmoy Karmakar	Member	Professor, Dept. of Pharm Tech, J.U.
6.	Dr. R.S. Thakur	Member	President, Federation of Indian Pharmacists Organization, Bangalore
7.	Dr. Amitsankar Dutta	Member	Professor adjunct, ECPT
8.	Dr. Surajit Goon	Member	Academic Director, Eminent Group of Colleges
9.	Govt. Nominee	Member	Representative of State Govt.
10.	University Nominee (Dept. of Higher Education)	Member	Representative of MAKAUT
11.	State Council Nominee	Member	State Council Member
12.	AICTE Representative	Member	AICTE Member From ERO
43	Dr. Amalendu Basu	Member	Representative of D.T.E., W.B.
14.	Dr. Anurup Mondal	Member	Associate Professor, ECPT
15.	Dr. Kaushik Biswas	Member	Associate Professor, ECPT

GLIMPSE OF FACULTY PROFILE

Prof. Suchandra Sen
Principal
B. Pharm, M. Pharm, Ph. D (JU)
Research Interest: 1. Outcome research
2. Pharmacoeconomic studies.
3. Antibiotics resistance patterns in bacteria present in mouse environment.
4. Screening of new synthetic entities for pharmacological activity.

Dr. Amitsankar Dutta
Professor (Adjunct)
B.Sc. (CU), B. Pharm. (JU), M. Pharm. (JU),
Ph.D. (JU), AIC Dept. of Pharmacology
Research Interest: 1. Pharmacological and biochemical studies of snake venom
2. Evaluation of neuroprotective activity of bioactive compounds isolated from snake venom
3. Pharmacological screening of natural products

Dr. Anurup Mandal
Professor
Dept. of Pharmaceutical Microbiology & Biotechnology
B. Pharm. (JU), M. Pharm. (JU), Ph.D. (JU)
Research Interest:
Isolation of natural products; Evaluation of natural products and synthetic compounds for their antimicrobial activities.

Dr. Kaushik Biswas
Vice Principal & Associate Professor
Dept. of Pharmacology
B.Pharm(RGUHS), M.Pharm(RGUHS), PhD(JU)
Research Interest: 1. Identification of marine and terrestrial streptomycetes and discovery of bioactive compounds there from.
2. Evaluation of microbial diversity of Sundarbans and their biotechnological applications.
3. Pharmacological and toxicological assessment of bioactive compounds.

Mrs. Rumpa Banerjee
Assistant Professor
Dept. of Pharmaceutical Chemistry
B.Pharm(B.U.), M.Pharm(BPUT)
Ph.D Persuing
Research Interest: Synthesis, Characterization and In-silico Drug designing and molecular docking of Antiparkinsonism and Antiinflammatory, Antimicrobial drugs.

Mr. Souvik Chakraborty
Assistant Professor
B. Pharm(JSS University)
M.Pharm (JSS Academy of Higher Education and Research)
Research Interest: Pharmaceutics, Nanoparticles

Ms. Srabani Podder
Assistant Professor
Dept. of Pharmaceutics
B.Pharm (MAKAUT), M.Pharm (MAKAUT)
Research Interest: Natural products and NDDS

Dr. Sandip Dolui
Assistant Professor
Dept. of Pharmaceutical Chemistry
B.Pharm(MAKAUT)
M.Pharm. (BIT,Mesra), PhD (CU)
Research Interest: Computational Biology & Protein aggregation

Mr. Ujjal Pal
Assistant Professor
Dept. of Pharmaceutical Chemistry
B. Pharm. (MAKAUT),
M. Pharm. (MAKAUT)
Research Interest: Phytochemical examination and anti-diabetic evaluation of medicinal plants

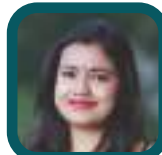

Mrs. Sinjini Das
Assistant Professor
Dept. of Pharmacology
B. Pharm. (JSS, Ooty),
M. Pharm. (MAKAUT)
Research Interest: Pharmacological and Toxicological screening of bioactive molecules, Nanotechnology in Cancer, Computer Aided Drug Designing (CADD) for Targeted Drug Delivery System (TDDS).

Ms. Ankita Banik
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (MAKAUT),
M. Pharm. (NBU)
Research Interest: Synthesis and Characterization of Dual Responsive Nanogel.

Ms. Gayatri Chakraborty (Moitra)
Assistant Professor
Dept. of Pharmaceutical Chemistry
B.Sc (Tripura University)
B. Pharm. (Tripura Central University),
M. Pharm. (Tripura Central University)
Research Interest: Isolation and identification of different bioactive components from plant sources.

Ms. Debolina Banerjee
Assistant Professor
Dept. of Pharmaceutical Chemistry
B. Pharm. (MAKAUT,WB),
M. Pharm. (Punjab University)
Research Interest: Synthesis and characterization of 2 amino acid derivative of 1,4 naphthoquinone as anticancer agent.

Mr. Shankhadip Nandi
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (MAKAUT,WB),
M. Pharm. (MAKAUT,WB)
Research Interest: Formulation, evaluation, and statistical optimization of enteric coated osmotic tablets. Formulation, evaluation and optimization of orally disintegrating films using DOE approach for the pediatrics with acute otitis media. Fabrication and evaluation of matrix type novel transdermal patch. 3D printing of pharmaceuticals.

Ms. Nikhat Perween
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (BIT),
M. Pharm. (BPUT)
Research Interest: Design and Evaluation of Tablet in Capsule - Pulsatile Drug Delivery system for the treatment of Nocturnal Asthma

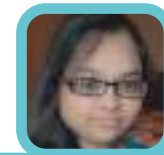

Mr. Abhishek Samanta
Assistant Professor
Dept. of Pharmaceutical Chemistry
B. Pharm. (MAKAUT),
M. Pharm. (DU)
Research Interest: Design, Synthesis and Inhibitory activity of Xanthone derivatives with extended ti-system as α -glucosidase inhibitor

GLIMPSE OF FACULTY PROFILE

Ms. Poulomi Biswas
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (MAKAUT),
M. Pharm. (DHSGU)
Research Interest: Preparation and characterization of topical formulation for open wound healing

Ms. Varnita Karmakar
Assistant Professor
Dept. of Pharmacology
B. Pharm. (MAKAUT),
M. Pharm. (MAKAUT)
Research Interest: Evaluation of effect of Marine Sponge Extract: Clostridia survival & growth on the Chemotherapy induced Peripheral Neuropathy on experimental animals such as rodents and Zebrafish. Research interest is on preclinical Neuropharmacological and Neurobehavioral studies of natural products from plant and marine sources.

Ms. Diparati Mandal
Assistant Professor
Dept. of Pharmacology
B. Pharm. (MAKAUT),
M. Pharm. (MAKAUT)
Research Interest: Preclinical Evaluation of Thrombocytogenic Activity of Hydroalcoholic Extract of Brassica oleracea.

Ms. Ankita Mallick
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (MAKAUT),
M. Pharm. (NBU)
Research Interest: Polymeric nanoparticles, liposome, Nanocosmeceuticals

Ms. Amrita Das
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (MAKAUT),
M. Pharm. (MAKAUT)
Research Interest: Synthesis and Characterization of Dual Responsive Nanogel.

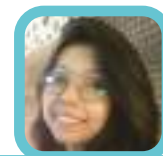

Ms. Aishwarya Biswas
Assistant Professor
Dept. of Pharmaceutics
B. Pharm. (MAKAUT),
M. Pharm. (MAKAUT)
Research Interest: Comparative study of marketed metformin HCl SR tablets and determination of similarity factor.

Ms. Sangita Palai
Assistant Professor
D.Pharm, B.Pharm (JU), M.Pharm(NBU)
Research Interest: Optimization of polysaccharide through microwave assisted extraction and evaluation study.

Mr. Subham Roy
Assistant Professor
BCA(MAKAUT)
M.Sc in Computer science (MAKAUT)

Mrs. Adrija Chatterjee
Laboratory Assistant
M.sc (Zoology) Cell & Molecular Biology specialized. (WBSU)
Research Interest: Methods in Molecular Biology & gene technology

Mrs. Priyanka Dutta Banik
Laboratory Assistant
B.sc (Botany) C.U.

Mrs. Nabanita Dutta
Assistant Librarian
B.Sc. (C.U.), M. Usc. (K.U.)
Research Interest: Information Retrieval Services

Ms. Supriya Gara
Laboratory Assistant
D. Pharm. (WBSCTE)

Mr. Sourav Maity
Laboratory Assistant
D. Pharm. (WBSCTE)

Mrs. Ranu Mandal Samadder
Laboratory Assistant
D. Pharm. (WBSCTE)

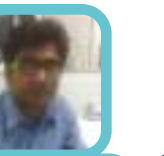

Mrs. Dona Dutta Mukherjee
Laboratory Assistant
M.sc (Zoology) Parasitology & Immunology specialized (WBSU)

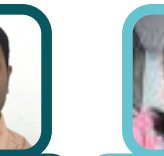

Mr. Joydeep Chatterjee
Laboratory Assistant
D.Pharm. (W.B.S.C.T.E.)

Mr. Sounak Roy
Office Assistant
B.COM

Mr. Supryo Mukharjee
Placement Officer
BCA, MBA

Mr. Debabrata Pal
Laboratory Assistant
D.Pharm. (W.B.S.C.T.E.)

Ms. Paromita Mukherjee
Office Assistant
B.Com (H)

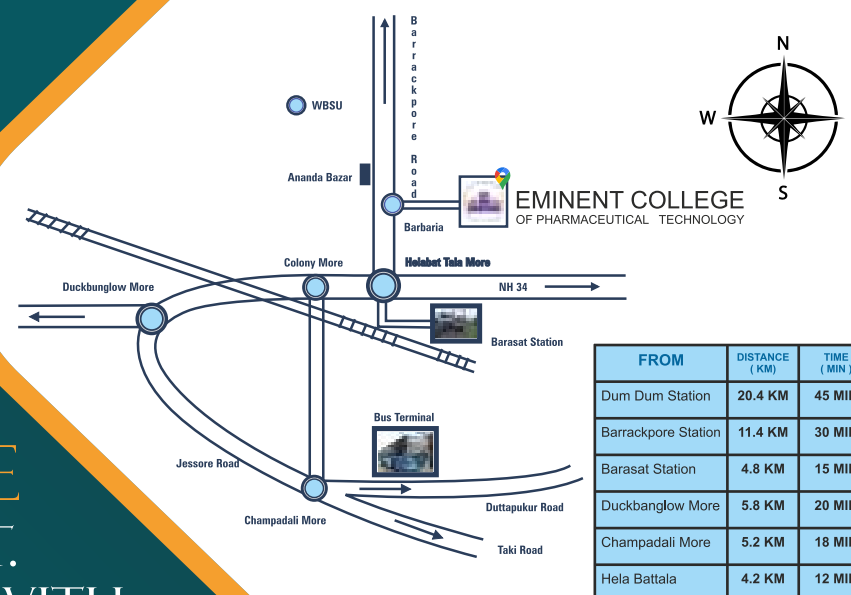

Mr. Pabitra Swamakar
Assistant Librarian
M.A (RBU),
